Labor in Politics

One of the most striking features of the Sunday Times-Dispatch will be a symposium on Labor in Politics. This is one of the live questions of the day, and one in which all men are interested. This symposium, in addition to giving the views of President Roosevelt on union labor and reviewing what labor has gained in the last twenty years, contains especially prepared articles by-

SAMUEL GOMPERS, President of the American Federation of Labor and Leader of Labor's Movement in Politics

JOSEPH MEDILL PATTERSON, SO WILLIAM D. MAHON, President As-sociation of Street Ballway Em-ployes
